OUR DIRECTOR

After playing four years at The College of Saint Rose, **Brian Beaury** has been the head basketball coach at his alma mater for the past 28 years. During that time, he has built the Saint Rose basketball program into a Division II national powerhouse, winning over 545 games—an average of over 22 wins per year. This ranks Coach Beaury among the nation's top ten active Division II coaches in wins. Coach Beaury's teams have been to 12 NCAA Division II tournaments, including three trips to the NCAA Elite Eight and the 1998 Division II Final Four. His Golden Knights are regularly ranked among the nation's top 25 teams each year, and his teams have won 25 or more games in a season five times. Under Beaury, the Golden Knights have had 19 seasons where they have had at least 20 wins. Coach Beaury founded the basketball camp at Saint Rose for both boys and girls in 1984, and has directed every phase of the program's development since. The Brian Beaury Basketball Camp is considered by many parents and coaches to be the top basketball camp in the region for players of all levels.

OUR STAFF

We believe that our staff is what sets us apart from all the "other" camps in the Capital District. We only hire coaches who are adults. We do not hire high school students or "Junior Counselors". Our goal is to fill our staff with coaches eager to share a positive basketball experience with campers.

We stress to our staff that the most important thing they can do is ensure safety, enthusiasm, instruction and fun! We believe that by combining our college and high school coaches with current and former college players, we can promise a great combination of instruction, demonstration and experience, and offer a positive and challenging camp experience. Our staff-to-camper ration is 1:8. All activities are supervised, including free time, by taking attendance regularly, having an athletic trainer on duty at all times and checking each camper in and out daily. Our pool is supervised by certified lifeguards, and we use the buddy system to further promote camper safety.

Our staff includes outstanding college and high school coaches with experience working with young people on the fundamentals of the game of basketball. Past staff and lecturers include:

- Jeff VanGundy, NBA TV

OUR PHILOSOPHY

Brian Beaury has been running basketball camp at Saint Rose longer than any coach has run camp in the Capital District. Unlike a lot of camps that put a name on a brochure, Brian Beaury is at camp every day and directs the entire program. Over the past 28 years, this camp has grown faster than any summer program in the Capital Region. Our staff works hard every day to ensure that every camper has fun and improves every day. We instruct all levels, from beginners to varsity-level athletes. Our programs are broken down by age and/or ability to ensure that each camper will succeed and develop the necessary confidence to help them reach their potential. We believe that individual attention builds confidence. Our staff-to-camper ratio is 1/8. All teams have no more than 10 players.

We stress fundamentals before competition. In addition to basketball fundamentals, we stress the importance of teamwork, camaraderie, academics and good citizenship, as well as drug and alcohol awareness. Finally, we limit enrollment so that each and every camper who attends will have a positive summer basketball experience.

All campers will receive a certificate of participation and a camp t-shirt. They will also have access to our supervised indoor pool and game room during supervised free time.
